POSITION

COURSE TRAFFIC MARSHAL

NATURE OF EMPLOYMENT

Volunteer

POSITION REPORTS TO

Traffic Logistics Manager

ROLE DESCRIPTION

As a volunteer Course Traffic Marshal (must be over 18 years old) you can legally perform the duties to assist SAPOL in implementing a rolling road closure to permit the Santos Tour Down Under riders and support vehicles to travel safely on South Australian roads. Course marshals are also used to identify using flags and whistles potential hazards such as roundabouts and traffic islands to the approaching riders at identified positions along the race route. While the role is to assist with the management of people and vehicles volunteers are NOT to try and physically stop any person or motorist who disobeys their directions.

Marshals will be required to undertake a training session with a SAPOL representative prior to undertaking this role. This briefing will be offered both in the CBD and also regionally.

Marshals will be required to travel to the identified location and be in position at the designated time until all riders and support vehicles have passed the location. Marshals may be in the given location on their own and at other times will have another marshal positioned with them.

Exact positioning on the race route and specific times will be discussed with each individual volunteer and where possible a location will be provided close to work or home to allow minimal disruption.

NOTE: This position involves standing for the full duration of the listed roster times

SHIFT DATES and TIMES

Shift times will vary depending on the location of the race route. Course marshals are required to be at their point 15 minutes before the estimated time of arrival of the riders in case the riders are ahead of the schedule. Duties commence when SAPOL pass the designated point implementing the rolling road closure.

For a single pass through shifts are approximately 15min – 30min depending on the spread of the field. For a location that has multiple passes (listed in the course as laps) shifts are approximately 30min – 1.5 hour.

Tuesday 16 January: Various locations along the Port Adelaide to Lyndoch race route, between 11am – 3pm

Wednesday 17 January: Various locations along the Unley to Stirling race route, between 11am – 3pm

Thursday 18 January: Various location along the Glenelg to Victor Harbor race route, between 11am – 3pm

Friday 19 January: Various locations along the Norwood to Uraidla race route, between 11:30am – 3:30pm

Saturday 20 January: Various locations along the McLaren Vale to Willunga Hill race route, between 11:10am – 3pm

Exact positioning on the race route and specific times will be discussed with each individual volunteer and where possible a location will be provided close to work or home to allow minimal disruption.

A drink bottle will be provided and we recommend you fill this with water and take this to your shift. Depending on the duration of the shift you may wish to take additional water and snacks.

LOCATION/TRANSPORT

Volunteers are required to make their own arrangements to and from each shift.

UNIFORM

Please wear the provided reflective vest and hat for the duration of your shift in addition to maintaining a neat and clean appearance and closed toed shoes.
